

Shih-Hao Lin

Curriculum Vitae

May 2025

Department of Sociology
Virginia Tech

shihhao626@vt.edu

225 Stanger Street, 560 McBryde Hall (0137), Blacksburg, VA 24061

EDUCATION

- 2024- Ph.D. student in Sociology, Virginia Tech
2020 M.A. in Sociology, National Tsing-Hua University
2015 B.A. in Chinese Literature, National Tsing-Hua University

RESEARCH INTERESTS

- Inequality, Poverty and Mobility
- Social Demography
- Comparative Political Economy
- Digital Sociology

Publication

Shih-Hao Lin & Thung-Hong Lin. "Post-Materialism under Threat: Insecurity and Middle-Class Value Shifts in East Asia" Forthcoming in *Sociology Compass*

RESEARCH AND TEACHING EXPERIENCE

- 2026 Research Assistant, Digital Sociology – Virginia Tech
(Training the GloVe word embedding model to analyze the speech patterns of S&P 500 board members using data from the Wharton School BoardEx database)
- 2025 Research Assistant, Digital Sociology – Virginia Tech
(Utilized word embedding modeling (GloVe) to analyze speech of S&P 500 board members, using data from Wharton's BoardEx database.)
- 2024-2025 Teaching Assistant, Digital Sociology – Virginia Tech
- 2024- Teaching Assistant, Introductory Sociology – Virginia Tech

- 2019-2022 Teaching Assistant, Advanced Quantitative Methods for Data Analysis (Ph.D. level) – National Tsing-Hua University
(Instructed students in using Stata and R to apply regression models, specifically in hierarchical linear modeling (HLM) and causal inference.)
- 2020 Research Assistant, Department of Computer Science and Information Technology, National Chung Cheng University: Cross-domain Artificial Intelligence and Youth Cultivation
(Applied text clustering and co-occurrence network analysis to large-scale law school datasets.)

SERVICE

- 2025-2026 Program Commissioner, North America Taiwan Studies Annual Conference, Indiana University Bloomington
- 2025 Roundtable Presider, ASA Annual Meeting (Economic Sociology)
- 2025 Session Presider, SSS Annual Conference (Economic Sociology)

SELECTED PRESENTATIONS

J. Micah Roos, Waris Ahmad Faizi, and Shih-Hao Lin, 2025, “Trust in science and political institutions”, paper presented at 2025 Annual Conference of Southern Sociological Society, Jacksonville, FL: Southern Sociological Society: 2026-4-08 ~ 2026-4-11.

Shih-Hao Lin and Thung-Hong Lin, 2025, “The Tyranny of Merit and War: A Complex Dilemma of Income Inequality, 1996–2017”, paper presented at 2025 Annual meeting of American Sociological Association, Chicago: American Sociological Association, 2025-8-08~2025-8-12.

Shih-Hao Lin and Zhuofan Li, 2025, “Gender, Aging, and the Wage Gap: Industry Variations and Social Exclusion Among Female Board Members”, paper presented at 2025 Annual meeting of American Sociological Association, Chicago: American Sociological Association, 2025-8-08~2025-8-12.

Shih-Hao Lin and Thung-Hong Lin, 2025, “Post-Materialist Value in East Asia and North America from 2005 to 2022”, paper presented at 2025 Annual Conference of Southern Sociological Society, Charlotte, NC: Southern Sociological Society: 2025-4-

09 ~ 2025-4-12.

Shih-Hao Lin and Thung-Hong Lin, 2023, “A Red Queen Effect on Democracy: State Capacity, Civil Society, and Income Inequality, 1991–2017,” paper presented at Annual Meeting of American Sociological Association, Philadelphia, PA: American Sociological Association, 2023-08-18 ~ 2023-08-21.

SKILLS

- General Linear Modeling
- Word Embedding Modeling and Text Mining
- Counterfactual Modeling: General Synthetic Control Method
- Hierarchical Age-Period-Cohort Analysis
- Programming experience in R, PYTHON, Stata

Project: Student Outcomes Dashboard (R Shiny)

R Shiny–based imputation application for handling missing data using machine learning models, with integrated preliminary data visualization capabilities.
